

## Online Membership Application Instructions

**Basic Members & Industry Leaders:** Please note that only the primary contact for your company can add or remove additional members. If you need assistance in determining your type of membership, or your primary contact, please contact AGLF Headquarters.

### **If there is any chance you may already have an account:**

Use the "Find Me" feature of the online system (<http://secure.aglf.org/Core/findmepage.aspx>). Your account information will be emailed to you, and you can begin with **Step 4** below. You may already have an account if you have been a member of AGLF in the past, but let your membership lapse, or if you have attended an AGLF event. It is important to use this feature if there is any chance you may already have an account, as this improves the accuracy and completeness of your member record and AGLF's database.

You can change your password after you log in by clicking the "Profile for *Your Name*" link in the upper right of the page, then clicking "Login/Password."

### **If you do not have an account:**

1. Create an account at <http://secure.aglf.org/Core/createaccount.aspx>.
2. Creation of your account will be confirmed through email. Please click the link in the email. You will be directed to a page where you can create your Password.
3. Create Password. You will be directed to the main Log In page (<http://secure.aglf.org/core/login.aspx>).
4. Your Username is automatically generated. Enter your newly created Password, and click "Login." You will be directed to a page titled "Welcome to AGLF Online!"
5. Click the "Join Now!" link (second from the bottom). You will be directed to the online membership application.

*Please note: After you have entered your payment information, **please click "Submit" only once.** If you receive an error or experience any difficulty, please contact AGLF Headquarters. Clicking "Submit" more than once may lead to multiple charges on your credit card.*

If you encounter difficulty in any step of the process, please contact AGLF Headquarters. Both the Executive Offices and the Registration Department are equipped to assist you.
